WHAT YOU WILL NEED TO HOST AND/OR PARTICIPATE ON AN eCAST

AABB live eCasts are hosted on a virtual platform. On-Demand eCasts are accessed on the AABB Education Platform at http://education.aabb.org.

To participate as a group viewer, your facility will need:

• An eCast Group Viewing Coordinator

Your facility/group will be required to identify a Group Viewing Coordinator who will serve as the point of contact for the eCast(s) purchased. AABB will provide your Group Viewing Coordinator with access to everything else needed via email, including access instructions.

All participants in a group will be required to register as single viewers. AABB will provide a promocode to registered group viewing coordinators to share with their team in advance of the live program to register for free as single viewers for both the live and the on-demand version of the eCast.

Additional eCast information can be found in the Education section on the AABB website.
