

CONGRATULATIONS AND WELCOME TO AABB!

Thank you for joining AABB – we are excited to have you as one of the newest additions to our community of blood & biotherapies professionals.

GET STARTED

- Log In and Visit “My Account” on the AABB Website**
 - Verify Your Information**

Verify that the information in the Name & Demographics and Addresses sections are correct, or make edits on the website.
 - Join a Section and Subsection**

AABB’s Sections represent the interests of individual members in [Transfusion Medicine](#) and [Cellular Therapies](#).

[Subsections](#) help members build a network within interest-specific subsections. The subsections provide information, education, and resources.

Visit **My Profile > Subsections > Edit** to add/remove subsections.
 - Access My Learning and Digital Content**

Access your online education programs and digital content, including the free member resources you have requested, under **My Account > Purchases**.
- Check your email for AABB Weekly Report**

This complimentary weekly newsletter highlights the latest developments in the field, covering regulatory issues, scientific advances, pending legislation, and more. Sent exclusively to AABB Members on Wednesday afternoon from news@aabb.org.
- Search the Website**

Visit aabb.org and search a topic using the search box at the top right. Results i AABB website as well as *Transfusion Journal*, the AABB Community forum and products on the AABB store.

QUESTIONS?

Member Services can be contacted from
8:30 am – 5:00 pm ET Monday – Friday,
via phone (+1.301.215.6489 or +1.866.222.2498),
email (membership@aabb.org), or
through our general [contact form](#).

GET CONNECTED

- Join the Discussion**

Log into the [AABB Community](#) members-only forum to follow the conversation! Join one or more communities including transfusion medicine, biotherapies, regulatory and donor management. Ask questions or start a discussion amongst other members.
- Download an Exclusive Member Resource**

AABB offers a number of digital publications and online learning opportunities free for members. Visit the [Free Member Resources](#) page to select a title, add it to your cart on the AABB store, and checkout with your free purchase.
- Connect With AABB on Social Media**

AABB is active on [Twitter](#), [Facebook](#), [Instagram](#) and [LinkedIn](#). AABB uses these channels to connect with our members, and regularly seeks social media champions with interest to offer insightful content and resources. [Contact us](#) for the chance to collaborate with AABB.

GET INVOLVED

- Find a Committee of Interest**

AABB has a number of [committees](#) comprised of dedicated member volunteers and focused on specific activities in the field. Whatever your interest, there is a committee for you. [Find committees](#) of interest or become more involved by [submitting an application](#) for a committee(s) of your choice.
- Find Volunteer Opportunities**

There are many ways to [get involved](#) in AABB: by becoming a mentor or a mentee, running for a leadership position, becoming an assessor, or more. Want to be more involved with the AABB community but not sure where to start? Reach out to pep@aabb.org for guidance.
- Contact Your Membership Team**

Your membership team is here to help! [Contact us](#) if you have any questions regarding access, opportunities, suggestions or more. We'd love to hear from you!
