

Publications Committee

CHAIR: Joseph Schwartz, CABP ,MD,MPH

PURPOSE: Partner with AABB Press in determining potential book topics, potential authors and the merit of submitted book proposals.

- CHARGES:**
1. At least every two years and with the guidance of Publications Dept. staff, conduct an acquisitions analysis to assess the need for or interest in new publications.
 2. As the need arises, develop book proposals (or recruit others to do the same) in key topic areas identified via the acquisitions analysis.
 3. As proposals for new publications are submitted, evaluate the content and identify the potential market.
 4. Using existing review processes, evaluate book proposals submitted by individuals and groups outside the AABB committee structure (i.e. not from committees, task forces, etc.)
 5. Comply with AABB Committee and Resource Charges as appropriate.
